Our Story

For over 75 years, Van Ameyde has expertly managed the entire claims process. We handle claims and manage risk with our innovative solutions to streamline operations, reduce costs, and enhance client satisfaction. With our ECHO platform—a cutting-edge system for efficient claims handling—we process 800,000 claims annually, combining technology and personal service across all insurance sectors.

Why Van Ameyde?

We offer a unique combination of intelligence, accessibility, and innovation. We handle claims and manage risk with a client-focused service, ensuring prompt and efficient solutions whenever you need them. We utilize cutting-edge technology to streamline processes, improve accuracy, and deliver exceptional results, maintaining a seamless integration of our advanced AI and human expertise.

The wisdom and solid foundation from our parent company, combined with the fresh perspectives from our recent acquisitions, gives us the agility to adapt quickly, seize opportunities, and continuously enhance our services. With a global presence and deep local insights, we provide tailored solutions that meet your specific needs, no matter where you are and what you need.

We've got your back

At Van Ameyde, “We’ve got your back” is more than a tagline - it’s our mindset. Our experts tackle the complexities of claims and risk head-on, lifting the burden from our clients at every turn.

From start to finish, our comprehensive solutions ensure unmatched efficiency, accuracy, and compliance. Whether it’s complex claims, assessing risks, or protecting assets, we show that we are steadfast, dependable, and always there for our clients. Backed by advanced technology and teams of seasoned professionals, we manage every detail, anticipate challenges, simplify processes, giving our clients the peace of mind to focus on what matters most.

With Van Ameyde, clients can trust that we’ve got their back, every time.
